Artist Small Talks

Idea Description in a Brief Blurb \*

Artists small talks are a way to take a journey through the mind of an artist and to learn about how they make their work. Casual meeting spots will be chosen where artists can meet up, speak about their art style, demonstrate the process, medium, and what inspires them to create. Attendees can ask questions at these events, meet other like-minded artists and even collaborate about art making.

Pitch your idea. Why should this be an ACGR event? How does it relate to the arts and our mission? What is unique about it? Our mission: <https://www.artscouncilgr.org/about.html> \*

The Small Talks series is important to help further support artists and attendees own understanding of visual art, conceptually and esthetically. These experiences can help express why artists make their work while help build our community interest in the arts.

Please do your best to identify your idea's defining category. Most ideas will likely combine multiple artistic elements, but it's helpful to try to categorize ideas to ensure our offerings are diverse. For example, 1 Hallow's Eve has visual art, music, theater, costume design, and it falls under "theater." Regarding "fine" art vs. "crafty" or "makers" art - this is so subjective, please do your best to identify if the way your idea will be executed would be considered by fine artists as fine art, or if it would be categorized as maker/crafty or even assembled art. If you can't place your idea in a single category, please explain in "other" and help us improve the form for next time with other necessary categories and feedback. \*

- Creative Placemaking: Using art to reimagine and reinvent public spaces and strengthen the connection between people and the places they share. Creative Placemaking is an umbrella term, but is directly tied to Sustainable Jersey's Creative Team certification. Our window painting and interactive butterfly mural in the alcove are examples of Creative Placemaking, and if we were SJ "Creative Team" certified, we could apply for grants. For a deeper dive, review these Slack channels: #creative-placemaking, #creative-team-sustainable-jersey and SJ's CT's goals: <https://rb.gy/64brar>
- Fine Art: I.e., drawing, painting, sculpture, printmaking, glassmaking, collage, origami...
