Spring into Dance - Glen Rock

Celebrating the JOY of movement, music, choreography and nature, this festival was our first in-person event in 16 months! More than 70 guests took part in four workshops, then applauded all six performances at the Thielke Arboretum.

Member Appreciation Night - many ideas became events.

Curating the Calendar

From 40 local entries, we selected 14 for GR's 2021 Borough Calendar. An October exhibit at the GR Public Library displayed artists' work. Artist profiles are featured monthly on FB, Instagram and our website.

National Poetry Month

In April, ACGR partnered with 10 local businesses who expressed their sense of community with poems that graced their storefronts and entrances.
