Idea Title ***ONE IDEA PER FORM*** *

New Membership Tier: Artist Membership

Idea Description in a Brief Blurb *

We can truly support local artists with a sort of artist's club membership. Membership entitles those in this higher cost category to come to master mind meetings (guest speakers on various topics - marketing, trends, insurance, craft fairs, etc.); join a private Arts Council of Glen Rock ARTISTS FB page to share info on local happenings etc; and the best benefit of all, have the arts council facilitate the use of town spaces that we turn into art event spaces. (i.e. WE can liason with the town on artists' behalf. The arts council can approach the town to request that our Artist Members be allowed to submit a COI to the town 1x/year to sign up for X of their own events. We can help artists fill out town paperwork/submit necessary insurance etc. to use the pool pavilion X amount of times.) Musicians can perform in the alcove and sign up on a calendar that we manage with the town; artists can hold a workshop in the pool pavilion after signing up on a calendar we manage with the town, etc...

Pitch your idea. Why should this be an ACGR event? How does it relate to the arts and our mission? What is unique about it? Our mission: <https://www.artscouncilgr.org/about.html> *

supports artists and placemaking

Please do your best to identify your idea's defining category. Most ideas will likely combine multiple artistic elements, but it's helpful to try to categorize ideas to ensure our offerings are diverse. For example, 1 Hallow's Eve has visual art, music, theater, costume design, and it falls under "theater." Regarding "fine" art vs. "crafty" or "makers" art - this is so subjective, please do your best to identify if the way your idea will be executed would be considered by fine artists as fine art, or if it would be categorized as maker/crafty or even assembled art. If you can't place your idea in a single category, please explain in "other" and help us improve the form for next time with other necessary categories and feedback. *

Creative Placemaking: Using art to reimagine and reinvent public spaces and strengthen the connection between people and the places they share. Creative Placemaking is an umbrella term, but is directly tied to Sustainable Jersey's Creative Team certification. Our window painting and interactive butterfly mural in the alcove are examples of Creative Placemaking, and if we were SJ "Creative Team" certified, we could apply for grants. For a deeper dive, review these Slack channels: #creative-placemaking, #creative-team-sustainable-jersey and SJ's CT's goals: <https://rb.gy/64brar>
