Idea Title ***ONE IDEA PER FORM*** *

Beautify Pool Pavilion for use as a community space.

Idea Description in a Brief Blurb *

Pool pavilion renovation tied to a NEW Arts Council membership tier (separate idea that's tied to this). Turn the pool pavilion into a gathering space. Borough upgraded the bones (function) recently and we can make it look beautiful.

Pitch your idea. Why should this be an ACGR event? How does it relate to the arts and our mission? What is unique about it? Our mission: <https://www.artscouncilgr.org/about.html> *

The pavilion is a space that should be enjoyed by the community. It's a perfect placemaking opportunity. Art classes could be held there, yoga, makers space, etc.

Please do your best to identify your idea's defining category. Most ideas will likely combine multiple artistic elements, but it's helpful to try to categorize ideas to ensure our offerings are diverse. For example, 1 Hallow's Eve has visual art, music, theater, costume design, and it falls under "theater." Regarding "fine" art vs. "crafty" or "makers" art - this is so subjective, please do your best to identify if the way your idea will be executed would be considered by fine artists as fine art, or if it would be categorized as maker/crafty or even assembled art. If you can't place your idea in a single category, please explain in "other" and help us improve the form for next time with other necessary categories and feedback. *

Creative Placemaking: Using art to reimagine and reinvent public spaces and strengthen the connection between people and the places they share. Creative Placemaking is an umbrella term, but is directly tied to Sustainable Jersey's Creative Team certification. Our window painting and interactive butterfly mural in the alcove are examples of Creative Placemaking, and if we were SJ "Creative Team" certified, we could apply for grants. For a deeper dive, review these Slack channels: #creative-placemaking, #creative-team-sustainable-jersey and SJ's CT's goals: <https://rb.gy/64brar>
