Recycled Art Project

Idea Description in a Brief Blurb \*

As seen at this incredible house in West Jersey, Luna Parc had an outdoor Eiffel Tower made from trophy's. I could see something like this in our town in a spot that needs a lift. Maybe the park by the post office, maybe the recycling center or somewhere else in town.

Pitch your idea. Why should this be an ACGR event? How does it relate to the arts and our mission? What is unique about it? Our mission: <https://www.artscouncilgr.org/about.html> \*

Making an art piece out of recycled materials is the goal. I loved the trophy idea because it is something many house holds have and throw out at some point. It puts it to another use of it. It does not have to be trophy's but making an art piece that is made from recycled products. Obviously it has to meet stringent regulations if on town property but it would be a start to make our town artsy. A unique recycled art project.

Please do your best to identify your idea's defining category. Most ideas will likely combine multiple artistic elements, but it's helpful to try to categorize ideas to ensure our offerings are diverse. For example, 1 Hallow's Eve has visual art, music, theater, costume design, and it falls under "theater." Regarding "fine" art vs. "crafty" or "makers" art - this is so subjective, please do your best to identify if the way your idea will be executed would be considered by fine artists as fine art, or if it would be categorized as maker/crafty or even assembled art. If you can't place your idea in a single category, please explain in "other" and help us improve the form for next time with other necessary categories and feedback. \*

Creative Placemaking: Using art to reimagine and reinvent public spaces and strengthen the connection between people and the places they share. Creative Placemaking is an umbrella term, but is directly tied to Sustainable Jersey's Creative Team certification. Our window painting and interactive butterfly mural in the alcove are examples of Creative Placemaking, and if we were SJ "Creative Team" certified, we could apply for grants. For a deeper dive, review these Slack channels: #creative-placemaking, #creative-team-sustainable-jersey and SJ's CT's goals: <https://rb.gy/64brar>
