Watering Can Flowing "Paint" – Wall Decoration with Mural

Idea Description in a Brief Blurb *

Create a wall sculpture – actual watering or aluminum paint cans with flowing material in various colors to represent a palette of colors. The "paint" would be sprinkling out of the cans (like water) above a beautiful mural. The "cans" and mural would be placed a wall in a public location such as the Glen Rock Senior Center room, which is also used by multiple Glen Rock groups.

We can request mural concepts from ACGR artists, with the selected concept being painted by the winning artist with Glen Rock Seniors invited to help paint the mural (group painting event).

Pitch your idea. Why should this be an ACGR event? How does it relate to the arts and our mission? What is unique about it? Our mission: <https://www.artscouncilgr.org/about.html> *

Public art; can involve variety of people; help bring "art" into public building for more to enjoy. Involving Seniors to enjoy & make art.

Please do your best to identify your idea's defining category. Most ideas will likely combine multiple artistic elements, but it's helpful to try to categorize ideas to ensure our offerings are diverse. For example, 1 Hallow's Eve has visual art, music, theater, costume design, and it falls under "theater." Regarding "fine" art vs. "crafty" or "makers" art - this is so subjective, please do your best to identify if the way your idea will be executed would be considered by fine artists as fine art, or if it would be categorized as maker/crafty or even assembled art. If you can't place your idea in a single category, please explain in "other" and help us improve the form for next time with other necessary categories and feedback. *

Creative Placemaking: Using art to reimagine and reinvent public spaces and strengthen the connection between people and the places they share. Creative Placemaking is an umbrella term, but is directly tied to Sustainable Jersey's Creative Team certification. Our window painting and interactive butterfly mural in the alcove are examples of Creative Placemaking, and if we were SJ "Creative Team" certified, we could apply for grants. For a deeper dive, review these Slack channels: #creative-placemaking, #creative-team-sustainable-jersey and SJ's CT's goals: <https://rb.gy/64brar>
