

WE ARE ALLIES

ALEXANDER VINCENTI, GRMS

We have been so
privileged
Privileged through
oppression
Oppression that
limits
Oppression we
must end

We lend our ears
Try to listen
And do not save
Only support

We work with integrity
Direct communication
Guided by those
we work with
Never straying
from our word

We do our research
Educate ourselves
Find our own allies
Seek out oppression

We are your allies
Here to work with
you

We are very honest
And accountable
Treat mistakes
as gifts
Try to be better

We are embracing
And understanding
Open to ideas
Show our emotions

We prioritize
others
Are very responsible
Support is not
expected
And resist cruel
oppression

We confront issues
Go through daily
things
No reward needed
No recognition

We are doing what
is right
That is what and
ally does

We are allies

We are allies
