Idea Title ***ONE IDEA PER FORM*** *

Winter is Coming

Idea Description in a Brief Blurb *

Window painting - White winter birch trees - on 'black windows' (old Sasha storefront - several windows), Rock Sushi and Glen Rock Smiles dental office) - using white and black paint for shading - create a forest of birch trees - perhaps add a cardinal for color but keep all windows uniform.

Pitch your idea. Why should this be an ACGR event? How does it relate to the arts and our mission? What is unique about it? Our mission: <https://www.artscouncilgr.org/about.html> *

Beautification/Community - simple, easy to do (with Michele and Libby's help - we can invite other talented artists) and no cost (we have materials).

Please do your best to identify your idea's defining category. Most ideas will likely combine multiple artistic elements, but it's helpful to try to categorize ideas to ensure our offerings are diverse. For example, 1 Hallow's Eve has visual art, music, theater, costume design, and it falls under "theater." Regarding "fine" art vs. "crafty" or "makers" art - this is so subjective, please do your best to identify if the way your idea will be executed would be considered by fine artists as fine art, or if it would be categorized as maker/crafty or even assembled art. If you can't place your idea in a single category, please explain in "other" and help us improve the form for next time with other necessary categories and feedback. *

Creative Placemaking: Using art to reimagine and reinvent public spaces and strengthen the connection between people and the places they share. Creative Placemaking is an umbrella term, but is directly tied to Sustainable Jersey's Creative Team certification. Our window painting and interactive butterfly mural in the alcove are examples of Creative Placemaking, and if we were SJ "Creative Team" certified, we could apply for grants. For a deeper dive, review these Slack channels: #creative-placemaking, #creative-team-sustainable-jersey and SJ's CT's goals: <https://rb.gy/64brar>

Thoughts, comments, feedback?

I think this could be a stunning and simple uniform design to enhance Rock Road during the holiday season. It would also be simple to remove.

Other title ideas - "Between the Tracks" but I would prefer to use this title for an arts festival that includes music (music tracks as well as railroad tracks).
